

Tokyo Medical University Required Application Documents

You need to submit the following documents by e-mail as PDF attachments except item 9 (i.e., Digital ID photograph).

All submitted materials must be written in English and shown in color when it is converted to a PDF file.

How to submit the documents:

You should create separate PDF files for items 1 – 8 and then attach all the PDF files in your email. Please do not create a single PDF file containing all of your application documents.

Name of file:

Please label the name of the file as follows:

[item Number]_[item Name].pdf

Example: 1_Application Form.pdf

Deadline of submission of application documents:

Submit 5 months minimum before your requested elective starting date.
